## **DETAILED ACTION**

### ***Response to Amendment***

1. Applicant's request for reconsideration of the finality of the rejection of the last Office action is persuasive and, therefore, the finality of that action is withdrawn.
2. Claims 1-40 are pending. Claims 13-18, 36-40 have been withdrawn as being drawn to the non-elected invention. Cancellation of the non-elected subject matter is recommended.

### ***Claim Rejections - 35 USC § 103***

3. The rejection for Claims under 35 U.S.C. 103(a) as being obvious over Banholzer I (5770738) or Banholzer II (5654314, which has the same parent as 5770738), which are the US equivalents of WO 92/16528 (PTO-1449)) and the corresponding obviousness type double patenting rejection are maintained for reasons of record.

The data presented in the Remarks are not in the form of a Declaration and are therefore have no probative values. Even if the results were presented in a Declaration, unexpected results cannot be established because the comparison is not made with the closest inventive compound with the prior art compound with only one difference. In the Declaration, the comparison is made with the instant Example 1, which is difluoro-substituted on both phenyls, with Example 10 of of Banholzer I or II, which has an unsubstituted phenyl. The instant Example 1 is not the closest compound since the claims as recited encompass a compound with one substituent on only one phenyl. Furthermore, the scope of the showing, limited to the dehydro-trapanyl, does not commensurate with the scope of the claims, which embrace also the epoxy-tropanyl, as exemplified in Example 5 of Banholzer.

In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the mailing date of this final action.
